

Device

```
graph BT; Mouse[Mouse] --> Device[Device]
```

A diagram illustrating a relationship between two entities. At the top, a rectangular box with a thick black border contains the word "Device" in a large, black, serif font. Below this box, centered horizontally, is a vertical black line that terminates in an upward-pointing arrowhead. At the bottom of the diagram, another rectangular box with a thick black border contains the word "Mouse" in a large, black, serif font. The arrow points from the "Mouse" box up to the bottom edge of the "Device" box.
